Circular Ref. No: 277/2025	

To All Broker Dealers & All Remote Trading Participants,

**Sub: Introduction of Nifty 50 Index Options with Daily Expirations (0DTE)**

With reference to approval received from IFSCA, Exchange is pleased to inform the introduction of 0DTE options contracts with weekly expiry having expiry day on all days of the week on NIFTY 50 Index and the same shall be available for trading at NSE IFSC Ltd with effect from October 13, 2025.

The contract specifications of the 0DTE contracts are as given below:

Instrument Name	OPTIDX
Symbol	NIFTY
Tick Size	US \$ 0.5
Expiry date	Five serial Weekly expiries from Monday to Friday expiring on daily basis
Contract cycle	0DTE Option contracts shall have weekly expiry on each day of the week. These options contracts shall be introduced on each trading day with weekly expiry excluding NSEIX market holidays.

Note: All other contract specifications shall be in line with the weekly expiring NIFTY 50 option contracts as mentioned in the Exchange circular ref. no. [NSEIFSC/TRADE/2129](#) dated May 08, 2025, and [NSEIFSC/TRADE/2199](#) dated July 02, 2025.

All Broker Dealers and Remote Trading Participants (RTPs) may also note that there is no change in the structure of any of the reports provided by the Exchange.

To avoid operational complexities, please refer the salient features outlined below:

- On the date of introduction of 0DTE contracts (October 13, 2025), five serial weekly expiry contracts will be available for trading.
- On each trading day, the applicable 0DTE options contracts shall expire at 3.30 PM IST. Additionally, new 0DTE options contracts, as applicable, shall be made available for trading after 3.30 pm IST, ensuring that five serial weekly expiry contracts remain available for trading at all times

## **NSEIFSC Ltd.**

- In case the expiry of any 0DTE options contracts coincides with any existing contracts (weekly or monthly), no duplicate contract shall be generated. The same contract shall be treated as the 0DTE contract.

The settlement procedure and other details shall be intimated separately by NSE IFSC Clearing Corporation Limited (NSEICC).

The list of 0DTE options contracts on NIFTY 50 available for trading with effect from October 13, 2025 is provided as Annexure 1. All broker dealers and RTPs are advised to load the updated ni\_contract.gz file in the trading application before trading on October 13, 2025. This file can be obtained from the directory /gtftp/gtcommon on the Extranet server.
